ATTACHMENT A

1. On January 5, 2021, a Hidalgo County Sheriff's Deputy conducted a traffic stop on a Red Chevrolet Tahoe for conducting an improper lane change by failing to use a signal.
2. DEA Agents conducting surveillance in the area observed the vehicle stop and pulled behind the Hidalgo County Sheriff marked unit to offer assistance if needed.
3. DEA Agents observed one Deputy talking to a male driver at the rear of the suspect vehicle, and another Deputy speaking with another male by the front passenger seat who was making furtive movements and going in and out of the vehicle.
4. DEA Agents approached to offer assistance to the Deputies based on officer safety concerns.
5. A DEA Agent noticed a third individual moving around in the rear passenger seat, later identified as Jesus GARCIA Rodriguez and asked him to step out of the vehicle for officer safety. The DEA Agent noticed a bulge in the front of GARCIA's shirt and GARCIA attempting to adjust his waistband. The DEA Agent conducted a weapons sweep for officer safety and immediately felt a hard object concealed in the front of GARCIA's waistband. The DEA Agent lifted GARCIA's shirt, revealing a clear plastic package containing a clear crystal like substance appearing to be suspected methamphetamine. The DEA Agent discovered another bundle containing suspected methamphetamine duct taped to GARCIA's back. GARCIA was placed in custody.
6. DEA Agents conducted a post Miranda interview of GARCIA. GARCIA admitted to knowingly transporting narcotics into the US, that he was going to be paid \$500.00 US currency to do so, and that he was in communication with drug traffickers in Mexico and told by them that he was going to be picked up by a passenger vehicle in Hidalgo, Texas.
7. The seized substance was field tested positive for the characteristics of methamphetamine and weighed approximately 1.08 kilograms.
